Educational Background

MBChB (The University of Manchester, UK, 2006)
 MRCP (UK)

Professional Career

Dr Mann Yie Thian is a Senior Consultant in the Department of Gastroenterology and Hepatology at Tan Tock Seng Hospital Singapore. She obtained her MBChB at The University of Manchester, United Kingdom and completed her specialist training in Gastroenterology with the National Healthcare Group Singapore. She also received the Japanese Society of Gastroenterology(JSGE) Research Fellowship Program Award in 2016 for advanced endoscopy.

Dr Thian was awarded the Health Manpower Development Plan (HMDP) in 2019 from the Ministry of Health Singapore and completed a one year fellowship in image enhanced endoscopy and endoscopic submucosal dissection at Kobe University Hospital, Japan under the mentorship of Professor Yoshinori Morita. Dr Thian is actively involved in clinical research, contributes frequently to publications in the field of gastroenterology and holds a keen interest in endoscopic education. She regularly serves as a faculty member for advanced endoscopy courses both locally and across the region. Besides clinical work, Dr Thian is also an adjunct teaching faculty at Yong Loo Lin(NUS) and Lee Kong Chian School of Medicine.

Research Field

Gastroenterology, Artificial Intelligence, Endoscopy
