Name in Full	Kewin Tien Ho Siah, MBBS, MRCP (UK), FAMS Adjunct Associate Professor
Country	Singapore
Affiliation	Division of Gastroenterology & Hepatology, Department of Medicine, National University Hospital, Singapore Yong Loo Lin School of Medicine, National University of Singapore Agency for Science, Technology and Research (A*STAR), Singapore
Email	kewin_siah@nuhs.edu.sg

Educational Background

MBBS — Royal Free and University College Medical School, University College London, United Kingdom.
MRCP (UK) — Membership of the Royal Colleges of Physicians of the United Kingdom.
FAMS (Gastroenterology) — Fellowship of the Academy of Medicine, Singapore.
Advanced training in colonoscopy — Kyoto Prefectural University of Medicine, Japan (JSGE research fellowship).
Research training in IBS and brain–gut–microbiota interactions — Oppenheimer Center for Neurobiology of Stress, University of California, Los Angeles, USA.

Professional Career

Current clinical and academic appointments
• Senior Consultant, Division of Gastroenterology & Hepatology, National University Hospital, Singapore.
• Clinical Director, Gastro-Motility Laboratory & DGBI Clinic, NUH.
• Adjunct Associate Professor, Yong Loo Lin School of Medicine, National University of Singapore.
• Senior Principal Scientist II, A*STAR, Singapore.
Selected leadership and editorial roles
• Secretary-General, Asian Neurogastroenterology & Motility Association (ANMA), 2020–present.
• Chair, ANMA–APAGE DGBI Education Taskforce.
• Chair, Rome Foundation Complementary and Integrative Medicine Section.
• Asian Ambassador, Rome ROBOT.
• Associate Editor, Journal of Neurogastroenterology and Motility.
• Conference Chair, NeuroGut 2026, Singapore.

Research Field

Neurogastroenterology and gastrointestinal motility; disorders of gut–brain interaction (DGBI), particularly IBS, functional dyspepsia, chronic constipation and gastroparesis; gastrointestinal dysautonomia and small fibre neuropathy; brain–gut–microbiota interactions; diet and food intolerance; immune–allergy mechanisms; multi-omics and biomarkers; complementary and integrative medicine; clinical trials, digital health, and patient-reported outcomes.

Papers, Books, etc. presented or published by your name

Selected publications (author/co-author)

1. Irritable bowel syndrome. Nature Reviews Disease Primers. 2026.
2. Mahadeva S, Siah KTH, et al. Second Asian Consensus Report on Functional Dyspepsia (2025): Updated Recommendations. Journal of Gastroenterology and Hepatology. 2026;41:832–853.
3. Xiao Y, Siah KTH, et al. Hydrogen and Methane Breath Test: The Asian Neurogastroenterology and Motility Association Monograph. Journal of Neurogastroenterology and Motility. 2026;32:150–171.
4. Barbara G, et al. (including Siah KTH). Rome Foundation Working Team Report on overlap in disorders of gut-brain interaction. Nature Reviews Gastroenterology & Hepatology. 2025;22:228–251.
5. Schol J, et al. (including Siah KTH). Rome Foundation and international neurogastroenterology and motility societies' consensus on idiopathic gastroparesis. The Lancet Gastroenterology & Hepatology. 2025;10:68–81.
6. Chan ACY, Siah KTH. Can Small Fiber Neuropathy Explain the Overlap Gastrointestinal and Non-gastrointestinal Symptoms in Some Irritable Bowel Syndrome Patients? Journal of Neurogastroenterology and Motility. 2024;30:116–118.

Selected invited presentations

• Functional Dyspepsia or Gastroparesis? World Congress of Gastroenterology (WCOG), New Delhi, India, 1 October 2026.
• Pharmacological & Non-Pharmacological Treatment of Chronic Constipation. WCOG, New Delhi, India, 1 October 2026.
• Impact of Ultra-Processed Food. WCOG, New Delhi, India, 2 October 2026.
• GI Dysautonomia and Small Fiber Neuropathy. Taiwan Digestive Disease Week (TDDW), Taipei, Taiwan, September 2026.
