

Curriculum Vitae

Personal Information	
Title	Prof.
Name	Je-Yeon Yun
Degree	MD, PhD
Country	Republic of Korea
Affiliation	Seoul National University Hospital & Seoul National University College of Medicine, Seoul, Republic of Korea
	
Educational Background	
2001.3 - 2007.2	Bachelor of Medicine, Seoul National University College of Medicine
2010.9 – 2012.8	Master of Medicine (Psychiatry), Seoul National University, Graduate School of Medicine
2012.9 – 2016.2	Doctor of Philosophy in Medicine (Psychiatry), Seoul National University, Graduate School of Medicine
Professional Career	
2007.2	Doctor in Medicine (M.D.), Ministry of Health and Welfare, Republic of Korea
2012.3	Board of Psychiatry, Ministry of Health and Welfare, Republic of Korea
2025 (Current)	Professor, Seoul National University Hospital & Yeongeon student support center, Seoul National University College of medicine, Seoul, Republic of Korea
Research Field	
Stress-related disorder, consultation of mental healthcare in college population and healthcare professional, mood and anxiety disorders in adulthood, Personalized clinical psychiatry based on the multi-modal brain MRI (T1WI/DTI/resting fMRI/task-based fMRI), network analyses, graph theory approach, and machine learning/deep learning models	
Main Scientific Publications	
Yun JY et al., Neural correlates of anhedonia in young adults with subthreshold depression: A graph theory approach for cortical-subcortical structural covariance. Journal of Affective Disorders 2024;366:234-243.	
Yun JY et al., Neural correlates of treatment response to ketamine for treatment-resistant depression: A systematic review of MRI-based studies, Psychiatry Research 2024;340:116092.	
Yun JY et al., Subtyping of Performance Trajectory During Medical School, Medical Internship, and the First Year of Residency in Training Physicians: A Longitudinal Cohort Study. J Korean Med Sci 2024 ;39(33):e239.	
Yun JY et al., Association of executive function with suicidality based on resting-state functional connectivity in young adults with subthreshold depression. Scientific Reports 2023;13(1): 20690.	
Yun JY et al., Associations among the workplace violence, burnout, depressive symptoms, suicidality, and turnover	

intention in training physicians: a network analysis of nationwide survey. *Sci Rep* 2023;13(1):16804.

Yun JY et al., Functional activation of insula and dorsal anterior cingulate for conflict control against larger monetary loss in young adults with subthreshold depression: a preliminary study. *Scientific Reports* 2022;28;12(1):6956.

Yun JY et al., Impact of COVID-19 on Lifestyle, Personal Attitudes, and Mental Health among Korean Medical Students: Network Analysis of Associated Patterns. *Frontiers in Psychiatry* 2021;12: 702092

Yun JY et al., Graph theory approach for the structural-functional brain connectome of depression. *Prog Neuropsychopharmacol Biol Psychiatry* 2021;111:110401.

Han S, Chi S, Cho S, Lee J, Yun JY*, Associations between the working experiences at frontline of COVID-19 pandemic and mental health of Korean public health doctors. *BMC Psychiatry* 2021; 21(1): 298. <https://doi.org/10.1186/s12888-021-03291-2>

Yun JY et al., Brain structural covariance networks in obsessive-compulsive disorder: a graph analysis from the ENIGMA Consortium. *Brain* 2020;143(2):684-700.
