COEX, Seoul, Korea

## Curriculum Vitae

<b>Name</b>	Marcello Tonelli	
<b>Country</b>	Canada	
<b>Affiliation</b>	University of Calgary	
<b>Department</b>	Internal Medicine	

### Bio

Dr. Tonelli is a nephrologist, professor and clinician-scientist at the University of Calgary. Dr. Tonelli's research focuses on improving the care of people with chronic kidney disease and other noncommunicable diseases. He completed a volunteership at the World Health Organization in 2013-2014, focusing on treatment of noncommunicable diseases following natural disasters and civil conflict.

Dr. Tonelli is chair emeritus of the Canadian Task Force on Preventive Health Care, a past President of the Canadian Society of Nephrology, and a past member of the Executive Committee of the Governing Council for the Canadian Institutes of Health Research.

Dr. Tonelli was the recipient of the 2013 United States National Kidney Foundation Medal for Distinguished Service and the Kidney Foundation of Canada's 2013 Medal for Research Excellence for changing nephrology practice in Canada and beyond. He is the Director of the World Health Organization's Collaborating Centre for the Prevention and Control of Chronic Kidney Disease.

Dr. Tonelli was elected a fellow of the Canadian Academy of Health Sciences in 2012 and has been named a "Highly Cited" researcher each year since 2015 by Thomson-Reuters Web of Science, corresponding to a rank in the top 0.1% by citations of all researchers worldwide.

Dr. Tonelli is the President of the International Society of Nephrology (2025-2027).

Dr. Tonelli lives in Calgary with his wife Shannon. They have two adult children.
